

100 Watt Replacement Finally™ Light Bulb

Warm, beautiful light for you and your home

Finally™ light bulbs are the only bulbs powered by Tesla Technology™ which produces a unique light spectrum that LED light cannot, resulting in whiter whites and brighter colors.

Tesla Technology™

- Unique light quality reveals the brilliance in whites and colors
- Patented technology produces 66% less harsh blue light than the average LED
- Makes your home more inviting and your skin look healthy

15 Year Guarantee

- Designed for beauty, crafted to last - with a bulb life of at least 15 years, and the energy efficiency you expect

LAMP DESCRIPTION FNL/A21/100/W27/120/ND

GENERAL CHARACTERISTICS

Lamp Type	Tesla Technology™ Self Ballasted Induction
Driver Type	Electronic
Bulb Size	A21
Beam	Omnidirectional
Base	Medium - E26
Wattage Replacement	100W Incandescent
Rated Life	16,500 hours
Operating Temperature	0° to 122°F (-18 to +50°C)
Application	Standard
Operation Position	Universal

ELECTRICAL CHARACTERISTICS - RATED

Energy Used	26 Watts
Input Voltage	120 Volts
Input Line Frequency	60 Hz

PHOTOMETRIC CHARACTERISTICS - RATED

Lumens	1600
Correlated Color Temp.	Warm White 2700 K
Color Rendering Index	80
Efficacy	60

DIMENSIONS

Nominal Weight	4.8 oz (136 g)
MOD (Max. Overall Diameter)	2.9 in (75 mm)
MOL (Max. Overall Length)	5.6 in (141 mm)
