

60 Watt Replacement Finally™ Light Bulb

Warm, beautiful light for you and your home

Finally™ light bulbs are the only bulbs powered by Tesla Technology™ which produces a unique light spectrum that LED light cannot, resulting in whiter whites and brighter colors.

Tesla Technology™

- Unique light quality reveals the brilliance in whites and colors
- Patented technology produces 66% less harsh blue light than the average LED
- Makes your home more inviting and your skin look healthy

15 Year Guarantee

- Designed for beauty, crafted to last - with a bulb life of at least 15 years, and the energy efficiency you expect

LAMP DESCRIPTION FNL/A19/60/W27/120/ND

GENERAL CHARACTERISTICS

Lamp Type	Tesla Technology™ Self Ballasted Induction
Driver Type	Electronic
Bulb Size	A19
Beam	Omnidirectional
Base	Medium - E26
Wattage Replacement	60W Incandescent
Rated Life	16,500 hours
Operating Temperature	0° to 122°F (-18 to +50°C)
Application	Standard
Operation Position	Universal

ELECTRICAL CHARACTERISTICS - RATED

Energy Used	14.5 Watts
Input Voltage	120 Volts
Input Line Frequency	60 Hz

PHOTOMETRIC CHARACTERISTICS - RATED

Lumens	800
Correlated Color Temp.	Warm White 2700 K
Color Rendering Index	83
Efficacy	55

DIMENSIONS

Nominal Weight	4.2 oz (120 g)
MOD (Max. Overall Diameter)	2.4 in (60 mm)
MOL (Max. Overall Length)	4.5 in (114 mm)
