

60 Watt Replacement Finally™ Light Bulb

Warm, beautiful light for you and your home

Finally™ light bulbs are the only bulbs powered by Tesla Technology™ which produces a unique light spectrum that LED light cannot, resulting in whiter whites and brighter colors.

Tesla Technology™

- Unique light quality reveals the brilliance in whites and colors
- Patented technology produces 66% less harsh blue light than the average LED
- Makes your home more inviting and your skin look healthy

15 Year Guarantee

- Designed for beauty, crafted to last - with a bulb life of at least 15 years, and the energy efficiency you expect
