

# 75 Watt Replacement Finally™ Light Bulb

## Warm, beautiful light for you and your home

Finally™ light bulbs are the only bulbs powered by Tesla Technology™ which produces a unique light spectrum that LED light cannot, resulting in whiter whites and brighter colors.

## Tesla Technology™

- Unique light quality reveals the brilliance in whites and colors
- Patented technology produces 66% less harsh blue light than the average LED
- Makes your home more inviting and your skin look healthy

## 15 Year Guarantee

- Designed for beauty, crafted to last - with a bulb life of at least 15 years, and the energy efficiency you expect

LAMP DESCRIPTION FNL/A19/75/W27/120/ND

## GENERAL CHARACTERISTICS

|                       |  |
|-----------------------|--|
| Lamp Type             | Tesla Technology™ Self Ballasted Induction |
| Driver Type           | Electronic                                 |
| Bulb Size             | A19  |
| Beam                  | Omnidirectional                            |
| Base                  | Medium - E26                               |
| Wattage Replacement   | 75W Incandescent                           |
| Rated Life            | 16,500 hours                               |
| Operating Temperature | 0° to 122°F (-18 to +50°C)                 |
| Application           | Standard                                   |
| Operation Position    | Universal                                  |

## ELECTRICAL CHARACTERISTICS - RATED

|                      |           |
|----------------------|-----------|
| Energy Used          | 17 Watts  |
| Input Voltage        | 120 Volts |
| Input Line Frequency | 60 Hz     |

## PHOTOMETRIC CHARACTERISTICS - RATED

|                        |                   |
|------------------------|-------------------|
| Lumens                 | 1100              |
| Correlated Color Temp. | Warm White 2700 K |
| Color Rendering Index  | 83                |
| Efficacy               | 60                |

## DIMENSIONS

|                             |                 |
|-----------------------------|-----------------|
| Nominal Weight              | 4.2 oz (120 g)  |
| MOD (Max. Overall Diameter) | 2.4 in (60 mm)  |
| MOL (Max. Overall Length)   | 4.5 in (114 mm) |

| Lighting Facts Per Bulb  |                    |
|--|--------------------|
| <b>Brightness</b>  | <b>1100 lumens</b> |
| <b>Estimated Yearly Energy Cost</b>  | <b>\$2.05</b>      |
| Based on 3hrs/day, 11¢/kWh<br>Cost depends on rates and use  |                    |
